## **MERGER POINT TO PAPER AND YART FACTORY B.V.**

Point to Paper has become an established player in the field of laser cutting paper and cardboard. Point to Paper was founded in 2010 and is now represented in various European countries. Over the last 10 years Point to paper has provided its service to various industries, printing companies, paper artists, graphic designers and communication agencies.

### **POINT TO PAPER CONTINUES AS A BRAND NAME WITHIN YART FACTORY B.V.**

Yart Factory is setting a new standard in the field of laser cutting and CNC milling. Point to Paper is already fully integrated in Yart Factory. This official merger gives Point to Paper's relations access to the production facilities of Yart Factory.

### **ABOUT YART FACTORY**

Yart Factory is a production company that uses modern laser cutting and CNC milling techniques to convert its customers' creative ideas into tangible and distinctive products and services. Yart Factory offers customization: the company applies a wide range of techniques to a wide variety of materials. Whether you want to laser punch in paper or polyester, mill in MDF or other board materials: Yart Factory creates it for you.

In addition to custom solutions, Yart Factory produces various consumer goods for both private labels and its own brands Dutch Doobadoo, Pronty crafts and the recently launched By WOOM.

### **WHAT DOES THIS MEAN FOR YOU AS A CUSTOMER?**

Our name changes, but our service, team and quality remain the same. Your account manager will not change and can be reached at the same phone number and address. In addition, you get access to various production possibilities, such as CNC milling of board materials like MDF or plywood.

For more information about our possibilities, please visit [yartfactory.com](http://yartfactory.com) or contact your regular contact person.

Best regards,
